# Astomi

[VIEW SOURCE](#)

This fan-fiction article, **Astomi**, was written by [Witcher190](#). Please do not edit this fiction without the writer's permission.

The **Astomi** are one of the many human cultures living in the [Melukka](#) region, specifically in the kingdom of Hansi.

They are characterized by having a totally vegan culture. In addition, it is said that the men from that place have more body hair than anywhere else in the world.

Also in their culture, a lot of importance is given to how you smell. You can be socially rejected if your smell is not pleasant enough for others.

It's said that the best perfumes in the world are made by the Astomi. That their smell is such, that any perfume that is not made by them, will smell you bad.

The best [perfumers](#), it is said that at least once in their lives, have gone to Hansi to learn
